CORNER IN LABOR.

New York, Nov. 16.—The Electrical Contractors' Association has notified the Brotherhood of Electrical Workers that unless the brotherhood enlarges its membership sufficiently to supply the demand for labor in its line the association will employ workmen irrespective of their membership in their brotherhood. It is said the brotherhood has limited its membership to about 800, so as to corner the electrical labor market and enable it to enforce a demand for an increase in wages from \$3 to \$4 a day.

MEETING OF THE BAR.

Resolution of Affection for the Late Mr. Johnston.

Pursuant to a call published in the Times of yesterday the members of the Roanoke bar held a meeting in the circuit courtroom at 9:30 yesterday morning to take action regarding the death of Capt. Johnston.

Judge Dupuy adjourned court as soon as it convened through respect to the deceased, and then followed the meeting above referred to. On motion of L. H. Cooke, Judge Dupuy was elected chairman of the meeting and W. F. Bryant, a deputy clerk, was made secretary.

As soon as the organization was perfected the chairman appointed S. Hamilton Graves, L. H. Cooke, A. P. Staples, John W. Woods and Thomas M. Wood a committee to draft a suitable resolution concerning their deceased brother. The committee retired and after a recess of about fifteen minutes they returned and reported the following, which was read by Mr. Cooke:

"Whereas, We are suddenly called to chronicle the death of a prominent and distinguished member of this bar, the Hon. James D. Johnston; therefore be it

"Resolved by the bar of the city of Roanoke in meeting assembled, That in the death of Mr. Johnston the bar of this city and the State has lost a distinguished and learned brother, who was in the practice of his profession able, pure, upright and courteous.

"Resolved second, That Mr. Johnston had endeared himself to the bar of Roanoke by the possession and exhibition of the above qualities, and he having also served with distinguished ability in the legislature of his State, calls for appropriate respect and sympathy and sorrow outside of this immediate circle.

"Resolved, third, That his pure, gentle and Christian character should be an example to his surviving brethren and to the community at large, and that in this light his family have the heartfelt and tender sympathy of the entire community.

"Resolved, further, That a copy of these resolutions be sent his family and

also furnished to the courts of this city to be spread by them upon their records.

"Resolved, in conclusion, That the members of this bar attend the funeral of Mr. Johnston in a body."

In presenting the resolution Mr. Cooke spoke with much feeling as to the life of the deceased and his ability as a lawyer. Mr. Cooke was followed by W. A. Glasgow, Jr., and Judge John W. Woods in a like manner, after which Roy B. Smith moved the adoption of the resolution and the appointment of Judge Robertson to present them to the circuit court, and C. B. Moomaw to perform a like duty in the hustings court. The motion of Mr. Smith was unanimously adopted and the meeting adjourned to attend the funeral.
